

Has your Doctor advised you to stay in Perth after discharge from PMH?

Has your Doctor advised you need to stay in Perth following a hospital admission at Princess Margaret Hospital (PMH)?

If you live over 100 kms from PMH and are **eligible for the Patient Assisted Travel Scheme (PATS)**, Ronald McDonald House could help.

How to make a booking:

- You **must** take or send your child's PMH appointment/admission letter to the PATS Clerk at your local hospital **before you come to Perth**.
- Ask the PATS clerk to book accommodation for you at at Ronald McDonald House.
- The PATS paperwork and accomodation booking must be completed prior to your arrival at Ronald McDonald House so the cost of the accommodation will be fully paid by PATS.
- To avoid disappointment we recommend you book early to ensure Ronald McDonald House has availability.
- If Ronald McDonald House is full, ask a PATS clerk to book other accommodation.
